BISMARCK, N.D.--(BUSINESS WIRE)--Oct. 17, 2003--Brian Kroshus, general manager of Farm & Ranch Guide and Minnesota Farm Guide, has been promoted to group publisher overseeing Lee Enterprises (NYSE:LEE) agricultural publications.

He succeeds Greg Moore, who has been appointed publisher of Lee's Nickel Publications in Washington and Oregon.

"Brian has continued to build on the success of Farm & Ranch Guide," Veon said. "In addition to strengthening the core product, in 1998 he created its targeted Bullseye editions, and a year ago he led the launch of Minnesota Farm Guide, which proved successful from the first issue."

Among community activities, he chairs the agricultural committee of the Bismarck Chamber of Commerce.
