Item 1.01. Entry Into a Material Definitive Agreement.

On November 19, 2004, the Executive Compensation Committee ("ECC") of the Lee Enterprises, Incorporated (the "Company") Board of Directors approved cancellation of the 2002 and 2003 restricted stock compensation agreements with Mary E. Junck, the Company's Chairman, President and Chief Executive Officer. Under the terms of a November 19, 2004 Cancellation Agreement with the Company, Ms. Junck agreed to cancel and terminate the ECC's November 13, 2002 restricted stock award of 35,000 shares of the Company's Common Stock (the "2002 Award") and the November 12, 2003 restricted stock award of 40,000 shares of the Company's Common Stock (the "2003 Award").

The 2002 Award and 2003 Award had been subject to the same terms and conditions required of all participants in the Company's 1990 Long-Term Incentive Plan (the "Plan") who receive restricted stock awards, including forfeiture by a recipient upon a termination of employment within three years of the grant date for any reason other than normal retirement, death or disability or as otherwise determined by the ECC. However, the 2002 Award and the 2003 Award did not require fulfillment of performance goals in order to vest. The Cancellation Agreement did not require Ms. Junck to return any dividends received during the periods the 2002 Award and 2003 Award were outstanding.

Under the Lee Incentive Compensation Program (the "Program") approved November 16, 2004 by the ECC, the ECC established individual target amounts for each of Ms. Junck's restricted stock awards (each a "Target Award"). Based on the Company's achievement of operating cash flow for fiscal 2005 compared to fiscal 2004, each Target Award will be subject to adjustment -- upward, but not to exceed 120% of the Target Award, or downward, to the extent that all shares awarded may be forfeited -- on the first anniversary of the grant date to reflect the achievement of fiscal 2005 incentive performance targets established by the ECC on November 16, 2004 (the "Final Award"). Operating cash flow is defined as operating income before depreciation, amortization and equity in net income of associated companies. The determination of the degree of achievement of the incentive performance targets will be made at the sole discretion of the ECC, whose determination will be final and binding on Ms. Junck and the Company. Upon determination of the Final Award, Ms. Junck will be entitled to all distributions related to the restricted stock.

In consideration for the cancellation and termination of the 2002 Award and 2003 Award, the Committee granted Ms. Junck, subject to achievement of performance goals, the following restricted stock awards of the Company's Common Stock, each carrying a grant date of November 19, 2004, and which, upon vesting and achievement of the performance goals specified, do not require any payment by Ms. Junck, other than for applicable income taxes due for such awards:

- a target award of 35,000 shares of the Company's Common Stock, subject to an increase or reduction in share amount depending upon achievement of fiscal 2005 performance goals, to replace the 2002 Award. Unless forfeited, vesting of any shares earned would occur on November 19, 2005;
- a target award of 40,000 shares of the Company's Common Stock, subject to an increase or reduction in share amount depending upon achievement of fiscal 2005 performance goals, to replace the 2003 Award. Unless forfeited, vesting of any shares earned would occur on November 19, 2006;
- a target award of 7,500 shares of the Company's Common Stock, subject to an increase or reduction in share amount depending upon achievement of fiscal 2005 performance goals, in consideration of cancellation of the 2002 Award and 2003 Award. Unless forfeited, vesting of any shares earned would occur on November 19, 2005; and

The ECC also granted Ms. Junck a target award of 41,000 shares of the Company's Common Stock, subject to an increase or reduction in share amount depending upon achievement of fiscal 2005 performance goals. Unless forfeited, vesting of any shares earned would occur on November 19, 2007. This award was made in conjunction with the Company's annual program for stock-based compensation and was not related to the Cancellation Agreement.

All of the awards were granted at a price per share of \$47.64, based upon the closing price of the Company's Common Stock on November 19, 2004.

Upon termination of Ms. Junck's employment for any reason other than normal retirement, death or disability, a change of control of the Company, or as otherwise determined by the ECC prior to vesting, her rights to any of the unvested shares of the Company's Common Stock covered by these awards will be forfeited to the Company.

The Cancellation Agreement, the cancellation of the 2002 Award and the 2003 Award and the above grants of restricted stock in connection therewith are conditioned upon the approval of the Program by the stockholders at the Company's February 23, 2005 annual meeting of stockholders. The Target Awards are intended to be performance-based compensation under Section 162(m)(4)(C) the Internal Revenue Code, as amended (the "Code"). Under the current Code, the expense associated with these awards of restricted stock may be deductible executive compensation paid by publicly held companies to certain of their executives. The cancelled 2002 Award and 2003 Award were not considered to be deductible for income tax purposes under the Code.

Upon a change of control, as defined in the Plan, the restrictions and deferral limitations applicable to each of the above awards of restricted stock will lapse. If the change of control occurs during fiscal year 2005, the Final Award will be automatically deemed to be the Target Award. The restricted stock will then become free of all restrictions and will be fully vested and transferable to the full extent of the original grant.

1. Restricted Stock Award.

(a) You own the Restricted Stock as of the first anniversary of the Grant Date, subject to the provisions for adjustment and forfeiture described below.

(b) Pursuant to the Program, the Executive Compensation Committee of the Company (the "Committee") has established the Target Restricted Stock Award (the "Target Award"). The Target Award shall be subject to adjustment on the first anniversary of the Grant Date to reflect the achievement of incentive performance targets established by the Committee within the first 90 days of the Performance Measurement Period (the "Final Award"). The determination of the degree of achievement of the incentive performance targets shall be made at the sole, complete and absolute discretion of the Committee, whose determination shall be final and binding on you and the Company. The Committee shall certify in writing its determination of the Final Award.

(c) Upon termination of your employment for any reason other than death, permanent and total disability or normal retirement (as defined in the Plan) before November 19, 2005, all of your rights to the Restricted Stock will be forfeited to the Company, unless otherwise determined by the Committee. The determination as to waiver of the forfeiture of all or any part of the Restricted Stock Award will be made at the sole, complete and absolute discretion of the Committee. Its determination will be final and binding on you and the Company. No action by the Committee will constitute a waiver of the Committee's discretion to act at any time under the terms of this letter agreement regarding the matters reserved to its discretion, unless such waiver is unequivocally expressed in writing by the Committee addressed to you and the Company.

(d) This letter agreement will not be transferable and may not be encumbered or disposed of in whole or in part during your lifetime. During your lifetime and the term of this letter agreement, your rights under this letter agreement may be exercised solely by you. Upon your death any rights, to the extent exercisable or vested on the date of your death, may be exercised by your estate or by a person who acquires the right to ownership of your Restricted Stock by bequest, inheritance or otherwise by reason of your death. Evidence satisfactory to the Committee of your death and the proper legal standing of your successor in interest must be provided.

(e) Upon determination of the Final Award, you will be entitled to all distributions related to the Restricted Stock. However, any distributions related to the Restricted Stock represented by additional shares of the Company, whether by reason of stock dividend, split-up or other recapitalization of the Company, will be retained and held by the Company for the term of this letter agreement as provided in this letter agreement.

(f) During the term of this letter agreement, the certificates evidencing ownership of the Restricted Stock will be retained by the Company, as security for your performance of all obligations under this letter agreement. By execution of this letter agreement, you are appointing the Company's chief financial officer as your duly authorized agent and attorney-in-fact for and on your behalf and subject to the terms of this letter agreement to hold and retain your Restricted Stock certificates related to the Restricted Stock granted by this letter agreement or later distributed by the Company during the term of this letter agreement related to the original Restricted Stock. Further, you appoint him or her to execute and deliver to the Company any and all such share certificates you forfeit under the terms of this letter agreement or as otherwise required by the Plan.

(g) Unless forfeited as described in subparagraph (c) above, your Restricted Stock certificates evidencing ownership of the Restricted Stock will be delivered to you unconditionally and without requirement for payment by you, on November 19, 2005. This letter agreement will terminate upon distribution of the Restricted Stock.

(h) This grant is subject to the requirement that, if at any time the Company's Board of Directors determines, in its discretion, that the listing, registration or qualification of the Restricted Stock on any securities exchange or under any state or federal law, or the consent or approval of any governmental regulatory body, is necessary or desirable as a condition of or in connection with, the granting of this Restricted Stock Award or the issuance or acquisition of your Restricted Stock, the grant will not be effective in whole or in part unless such listing, registration, qualification, consent or approval has been effected or obtained free of any conditions not acceptable to the Company's Board of Directors.

(i) The Plan and the Program are incorporated in this letter agreement by reference and is made a part of this letter agreement as if fully set forth in this letter agreement. The Plan and the Program will control if there is a conflict between the Plan or the Program and this letter agreement. Defined terms which are not given specific meaning in this letter agreement will have the meanings used in the Plan and the Program.

(j) Any dispute or disagreement which arises under, as a result of, or in any way related to the interpretation or construction of this letter agreement will be determined by the Committee. Any such determination made under this letter agreement will be final, binding and conclusive for all purposes.

2. Change in Present Stock. If any change in the outstanding shares of the Company's Common Stock by reason of any stock dividend or split, recapitalization, merger, consolidation, spin-off, combination or exchange of shares or other corporate change, or any distributions to common shareholders other than cash dividends occurs, the Committee will make such substitution or adjustment, if any, as it deems to be equitable (a) to accomplish fairly the purposes of the Plan, and (b) to preserve the intended benefits of the Plan and the Program to the Participants and the Company, as to the number or kind of shares of the Company's Common Stock or other securities issued or reserved for issuance under the Plan.

3. Change in Control. In spite of any other provision of the Plan to the contrary, if a Change of Control, as defined in the Plan occurs, the restrictions and deferral limitations applicable to the Restricted Stock will lapse. If the Change of Control occurs during the Performance Measurement Period, as defined in the Program, the Final Award shall be automatically deemed to be the Target Award. The Restricted Stock will then become free of all restrictions and will be fully vested and transferable to the full extent of the original grant.

4. Effect Upon Employment. Nothing contained in this letter agreement will restrict the right of the Company to terminate your employment at any time with or without cause.

1. Restricted Stock Award.

(a) You own the Restricted Stock as of the first anniversary of the Grant Date, subject to the provisions for adjustment and forfeiture described below.

(b) Pursuant to the Program, the Executive Compensation Committee of the Company (the "Committee") has established the Target Restricted Stock Award (the "Target Award"). The Target Award shall be subject to adjustment on the first anniversary of the Grant Date to reflect the achievement of incentive performance targets established by the Committee within the first 90 days of the Performance Measurement Period (the "Final Award"). The determination of the degree of achievement of the incentive performance targets shall be made at the sole, complete and absolute discretion of the Committee, whose determination shall be final and binding on you and the Company. The Committee shall certify in writing its determination of the Final Award.

(c) Upon termination of your employment for any reason other than death, permanent and total disability or normal retirement (as defined in the Plan) before November 19, 2005, all of your rights to the Restricted Stock will be forfeited to the Company, unless otherwise determined by the Committee. The determination as to waiver of the forfeiture of all or any part of the Restricted Stock Award will be made at the sole, complete and absolute discretion of the Committee. Its determination will be final and binding on you and the Company. No action by the Committee will constitute a waiver of the Committee's discretion to act at any time under the terms of this letter agreement regarding the matters reserved to its discretion, unless such waiver is unequivocally expressed in writing by the Committee addressed to you and the Company.

(d) This letter agreement will not be transferable and may not be encumbered or disposed of in whole or in part during your lifetime. During your lifetime and the term of this letter agreement, your rights under this letter agreement may be exercised solely by you. Upon your death any rights, to the extent exercisable or vested on the date of your death, may be exercised by your estate or by a person who acquires the right to ownership of your Restricted Stock by bequest, inheritance or otherwise by reason of your death. Evidence satisfactory to the Committee of your death and the proper legal standing of your successor in interest must be provided.

(e) Upon determination of the Final Award, you will be entitled to all distributions related to the Restricted Stock. However, any distributions related to the Restricted Stock represented by additional shares of the Company, whether by reason of stock dividend, split-up or other recapitalization of the Company, will be retained and held by the Company for the term of this letter agreement as provided in this letter agreement.

(f) During the term of this letter agreement, the certificates evidencing ownership of the Restricted Stock will be retained by the Company, as security for your performance of all obligations under this letter agreement.
